About Institute

The Late Karmaveer Shantashah Hiray, our paternal source of inspiration, founded the Maharaja Ganesh Vijayarambhar at Malegaon Campus a residential town in Nashik District on 2nd October 1952. He strongly believed that good education was the only sound intellectual awakening in the people. After the untimely demise of Late Vyankatesh Hiray, Smt. Pradipati Hiray and Dr. Prashant Hiray have carried on the challenging mission to build the excellent state of Maharashtra. Now it is planned, supported and managed by Dr. Apoorva Hiray and Dr. Advay Hiray.

Department of Economics

On January 10, 2017, a state level seminar on 'Impact of brexit on Indian Economy' was organized by the Department of Economics. The seminar was organized to discuss in depth how Britain's exit from the European Union will affect the global economy and developing economies like India. The seminar was inaugurated by Pune University BCUD Director Dr. V. B. Gaikwad It was done by . Principal Dr. Subhash Nikam of the college presided over the inauguration ceremony. Introduction of the seminar, HOD of Economics, Dr. S. P. Devere did.

Professors, researchers and students of economics departments of various colleges of the state participated in the seminar. Britain is a developed country in Europe. If Britain leaves the European Union, it could have an impact on the global economy. But the seminar concluded that the biggest impact would be on European economies. 28 researchers read their research articles in this seminar. On this occasion, various queries of the students were observed by the expert guides.

Famous economist of Maharashtra Dr. as chief guest for the closing ceremony of the seminar. It was Vinayak Govilkar. Vinayak Govilkar expressed his opinion that if Britain leaves the European Union, it may have a mixed effect on the Indian economy. Britain is known globally as a major industrialized country. Govilkar convinced with the help of examples that the possibility of adverse effect of Britain on the country with which it has commercial relations for some time cannot be ruled out. At the end of the program, certificates were distributed to the participating professors and students.

AY- 2019 WORKSOP ON INDIAN ECONOMI

Report

म. स. गा. महाविद्यालय मालेगाव कॅम्प, नाशिक
अर्थशास्त्र विभागा द्वारे आयोजित व्याख्यानाचा अहवाल

19 सप्टेंबर 2019 रोजी अर्थशास्त्र विभागाद्वारे पदव्युत्तर वर्गाच्या विद्यार्थ्यांसाठी व्याख्यानाचे आयोजन करण्यात आले. महिलारत्न पुष्पाताई हिरे महिला महाविद्यालयातील अर्थशास्त्र विभाग प्रमुख डॉ. बी. एम. सोनवणे यांना व्याख्याते म्हणून बोलविण्यात आले. 'भारतीय अर्थव्यवस्थेसमोरील मंदीचे सावट' या विषयावर डॉ. सोनवणे यांनी अभ्यासपूर्ण व्याख्यान दिले. या कार्यक्रमाच्या अध्यक्षस्थानी महाविद्यालयाचे प्राचार्य डॉ. दिनेश शिरोडे हे उपस्थित होते.

पदव्युत्तर वर्गातील विद्यार्थ्यांसमोर बोलताना डॉ. सोनवणे यांनी भारताची आणि जागतिक अर्थव्यवस्थेची सद्यस्थिती विद्यार्थ्यांना स्पष्ट करून सांगितली. जागतिक पातळीवर निर्मित वस्तूंना मागणी कमी झालेले असल्यामुळे उद्योजकांच्या वस्तू अपेक्षेनुसार विकल्या जात नाही. अत्याधुनिक तंत्रज्ञानाचा वापर उत्पादन क्षेत्रात अधिक प्रमाणात वाढू लागलेला आहे. आधुनिक तंत्रज्ञान विकसित करणे किंवा ते विकत घेऊन त्याचा वापर उत्पादनाच्या प्रक्रियेत करून घेणे यासाठी खर्चाच्या प्रमाणात मोठ्या प्रमाणात वाढ झालेली असल्यामुळे वस्तूंच्या किमती या सरासरी 20 ते 25 टक्क्यांनी वाढलेले आहेत. याचा परिणाम असा झालेला आहे मध्यमवर्गीय ग्राहकांनी त्यांची वस्तूंना असणारी मागणी अनिश्चित कालावधीसाठी पुढे ढकलली आहे. युरोपातील काही अर्थव्यवस्था त्यांच्या उत्पादनापेक्षा विकास इतर खर्च अधिक करताना दिसून येत आहेत. म्हणूनच ग्रीस या देशाने स्वतःची दिवाळखोरी जाहीर केलेली आहे. जगातील चंगळवादी अर्थव्यवस्थांच्या दृष्टीने हा धोक्याचा इशारा आहे. म्हणून अर्थव्यवस्थांना खर्च नियंत्रणात राखण्यासाठी धोरणात्मक निर्णय घेऊन त्याची अंमलबजावणी करावी लागेल. जागतिक आर्थिक घडामोडींचा भारतासारख्या संवेदनशील अर्थव्यवस्थांवर परिणाम होतो. भारताचा आर्थिक विकासाचा दर हा

प्रामुख्याने शेती क्षेत्राच्या विकासावर ही अवलंबून असतो. परंतु शेती क्षेत्रातील उत्पादनवाढीचा दर हा दोन टक्क्यांपेक्षा खाली घसरलेला असल्यामुळे, शेती क्षेत्रावर विसंबून असणाऱ्या शेतकरी व शेतमजुरांच्या उत्पन्न व रोजगार यावर प्रतिकूल परिणाम झालेला दिसून येतो. यामुळे भारतातील जवळपास 50 टक्क्यांपेक्षा अधिक लोकांची क्रयशक्ती घटलेली असल्यामुळे भारतात देखील उत्पादित मालाला उठाव कमी आहे. म्हणूनच की काय भारतात देखील मंदिर सदृश्य परिस्थिती निर्माण झालेली आहे. यासाठी शासनाला सर्वसामान्य व निम्न उत्पन्न स्तरातील तसेच असंघटित क्षेत्रातील व्यक्तींच्या उत्पन्नात वाढ होईल या पद्धतीची धोरणे आखावी लागतील जेणेकरून भारतीय अर्थव्यवस्था मंदीच्या छायेत जाण्यापासून वाचू शकेल.

मसगा महाविद्यालयातील अर्थशास्त्र विभाग प्रमुख डॉ. एम. व्ही. हिरे यांनीदेखील विद्यार्थ्यांना मार्गदर्शन केले. महाविद्यालयीन जीवनातच विद्यार्थ्यांनी जागतिक पटलावर घडणाऱ्या हार्दिक घडामोडींचा बारकाईने अभ्यास केल्यास आर्थिक विश्लेषण करण्याचा नवीन दृष्टिकोन विद्यार्थ्यांमध्ये वृद्धिंगत होऊ शकतो यासाठी सातत्यपूर्ण प्रयत्नांची आवश्यकता आहे. कार्यक्रमाचे सूत्रसंचालन अर्थशास्त्र विभागातील वरिष्ठ प्रा. डॉ. आर. के. जाधव यांनी केले. व्याख्यानासाठी अर्थशास्त्र विभागातील सर्व प्राध्यापक व पदव्युत्तर वर्गाचे सर्व विद्यार्थी उपस्थित होते.

Purpose and Scope :-

M. G. Vidyamdir's, Maharaja Sayajirao Gaikwad Arts, Science and Commerce College has been playing a very crucial role in all round development of the pupils. The college has rural background. The pupils in undergraduate and postgraduate classes are economically weak. This economic weakness has been dealt with more prominently by providing the pupils the knowledge of dairy business. The department of Economics has been recognised this acute need of majority of learners. The department has been very earnestly wanted to change the socio-economic conditions of the students. Therefore, the department gauged the needy students from almost from 20 to 35 villages in Malegaon Taluka for providing the knowledge of dairy business and ultimately the opportunity to improve their socio-economic conditions in future by forming the MoU. Obviously, the scope of this MoU has been stretched up to the students as well as their families living nearby villages.

Background :-

Mahatma Gandhi Vidyamdir's, Maharaja sayajirao Gaikwad Arts, Science and Commerce College, Malegaon Camp was established in 1959 by the great freedom fighter Karmaveer Bhausaheb Hiray. For last 62 years the college has been imparting higher education to the students from rural areas SC, ST, NT, OBC and Minority categories, the Bahujan Samaj and transformed their lives .

The department of Economics has been continuing the great tradition of the college The department is eager to established an MoU with Morgan Milk and Dairy Industry simply to transform the lives of hundreds of students by imparting them the knowledge of dairy industry. Morgan Milk and Dairy Industries Pvt. Ltd. is an important agricultural supplementary industry in Malegaon Taluka. Malegaon is at a distance of 40 km from the industry. For the last 10 years this industry has been a boon to the farmers of Malegaon, Satana and Devla Talukas.

PARTY A : Responsibilities Under this MoU

- To raise the socio economic status of the students and ultimately the students of their families.
- Promoting students in agribusiness along with college education.
- Supporting college students to become agri entrepreneurs.
- Along with agriculture the family income of farmers should be increased through agrobased dairy business.
- To promote the government Startup India and Skill India Scheme at the college level.
- Evaluate the extent to which the socio-economic condition of the dairy business have changed.
- To Co-operate with Morgan milk and Dairy Industries Private Limited for the growth of dairy business amongst students from farming families.

PARTY B: Responsibilities Under the MoU

- To guide the college students regarding Dairy business and Dairy processing business.
- To inform the college students about the scheme organised by Morgan Milk and Dairy Industries Private Limited for the growth of dairy business and Dairy processing business.
- To motivate students from farming families for agribusiness.
- Sponsoring students from farming families to start milk collection centres.
- The company is to fulfill its responsibility to improve the socio-economic conditions of the farmers.

It is Mutually Understood and Agreed by and Between the Parties that :-

Through this MoU, we will provide in-depth, detailed and empirical information on the milk collection and processing industry for undergraduate and postgraduate students in the Maharaja Sayajirao Gaikwad College. This will enhance the professional skills of the students and create entrepreneurship amongst the students.

Effective Date and Signature :-

This MoU shall be effective upon the signature of parties A and B authorised officials. It will be come in practice from **Date 01 July 2020 to Date 31 April 2026**

Party A and B indicate agreement with this MoU by their signatures.

Report on Online National E-conference (2021-2022)

M.S.G. Arts, Science and Commerce College, Malegaon Camp, Malegaon by Department of Economics. National e-conference was organized on March 29 and March 30, 2022. The theme of the conference was "Indian Economy: Opportunities and Challenges in 21st Century". The National E-Conference was inaugurated by Dr. Sambhaji Kale, Chairman, Board of Economics, Savitribai Phule Pune University through video conferencing. Dr. V. S. More was the chief guest on the occasion and Dr. Dinesh Shirode, the principal of the college, presided over the inauguration ceremony. Dr. M. V. Hiray, Head of Department of Economics, made the introduction. Dr. Jaykumar A. Shinde was the keynote speaker. He took a detailed analysis at the agricultural, industry and service sector in terms of opportunities and challenges in the 21st century in Indian economy. On the first day of the National Conference, in the first session, Dr. N. K. Divraniya, Asst. Professor, Govt. Arts and Commerce College, Jamkhambhaliya, from the state of Gujarat gave a lecture on 'Agricultural Research and Food Security in India'. As India is an emerging economy of the 21st century, India has to perform globally in terms of food security, and for that India's agronomists, farmers and agricultural universities need to work together. This was explained by Mr. N. K. Divraniya in his lecture. In the second session, Dr. B. V. Maind, Vasantrao Kale College, Dhoko, Osmanabad (MS) gave a lecture on 'Financial Sector Performance of Indian Economy in 21st Century'. The demonetization in India in 2016 created a cash crunch in the financial sector, and in December 2019, the Indian economy was hit by the COVID-19. Since then the growth rate in India has slowed down. Hence there is a need for comprehensive fiscal reforms in India. This was explained by Mr. B. V. Maind through his lecture. In the third session of the first day, the research papers of the professors were presented. A total of five professors' papers were presented. Finally, Dr. B. M. Sonawane gave vote of thanks.

In the first session on the second day of the National E-conference, Dr. Rajendra Borse gave a lecture on 'Industrial Sector Opportunities and Challenges in India'. After 2015, the fourth industrial revolution has started in the world. India has also adopted the Fourth Industrial Revolution since 2015. Robotic technology and 3D technology are important outcomes of the fourth industrial revolution. India has an opportunity to lead the world in the 21st century. For this there is a need to become self-reliant in the industrial sector. This was expressed by Dr. Rajendra Borse. After this, four professors presented their research papers. In the second session, Dr. Pratibha Kalmegh, HoD of Economics, Shivshakti Arts and Commerce College, Banhulgaon, (MS) gave a lecture on '21st Century Women Empowerment'. In the 21st century, the role of women is decisive in the overall economic development of India. The participation of women in agriculture, industry and service sector is increasing. Extensive efforts are being made for the participation of women from the government level. In her lecture, Madam appealed to all the women of India to take advantage of this opportunity. After this, four professors presented their research papers. A total of nine professors presented their papers in the third session. After that, the closing ceremony was held. For the closing ceremony, Dr. Subhash Nikam was present as the chief guest. Dr. B.M. Sonawane of the Department of Economics summarized the extensive discussions held at the National Conference. The

Seminar on Union Budget 2023-24 (Academic year -2022-23)

Report

A seminar on Union Budget 2023-24 was organized by the Department of Economics at Maharaja Sayajirao Gaikwad Arts, Science and Commerce College, Malegaon-Camp Nashik, on 10 February 2023. Mahilaratna Pushpatai Hiray Women's College Head of Economics Department Smt. Dr. Meena F. Patil was present as the keynote speaker and she analyzed the Union Budget in detail. The opening ceremony of the seminar was presided over by the principal of the college Dr. S. N. Nikam was present. On this occasion, Vice Principal of the college Dr. T. S. Sawle, Dr. D. K. Halwar, Academic Supervisor Dr. Pravin Patil was present. The purpose of organizing the seminar was introduced HOD of the Economics by Dr. B. M. Sonawane explained.

“The central budget has made efforts for the overall development of the country's economic, social, educational, health, agriculture, industry, service sector, cultural, defence, organized and unorganized sectors. Provisions for income and expenditure have been made for this. Globally, the serious problem of inflation has been created. But the government of India has made a sincere effort to increase the purchasing power of the people of the country. This can reduce the rate hike for the middle class people. Also, the tax

exemption limit for taxpayers has been increased to three lakhs. The government has laid special emphasis on creating basic facilities in the country. Government has taken measures for digital University, new appointments of teachers and also decided to start new educational channels for students. However, the provision of expenditure on education is not sufficient compared to the GDP, so the improvement and quality of education sector will not increase as expected Smt. Dr. Mina Patil expressed this. On this occasion the Vice Principal Dr. T. S. Savle while commenting on the Union Budget, Savale said that the Union Budget is a subject that is close to everyone's. A common man first thinks about which consumer goods will become cheaper and which goods will become more expensive due to the Union Budget. A farmer first thinks about the facilities and subsidy provided by the government for the agricultural sector. But it is more important to know what provisions the government has made in the budget for the overall development of the country.

Post-graduate students expressed their views on the budget in the afternoon session of the seminar. The experts gave satisfactory answers to the questions asked by the students on this occasion. 68 PG and UG level students participated in the seminar. The seminar concluded with the National Anthem.

Guest Lecture on Climate Change and Crop Pattern Repo (2022-23)

Report

An Interdisciplinary Guest Lecture on 'Climate Change and Cropping Pattern' was organized by the Department of Economics on 17 January 2023. Dr. A. D. Pawar, subject expert and research guide of the college's geography department, was the keynote speaker. The program was presided over by N. D. Pagar, Senior Professor, Department of Political Science, of the College. Dr. M. V. Hiray, Senior Professor, Department of Economics, introduced the keynote speakers. And Dr. B. M. Sonawane, HOD of Economics explained the purpose of organizing the lecture in the introduction.

Dr. A. D. Pawar in his lecture explained the information in a scientific manner regarding the geographical location, seasonal cycle and cropping system of India. As India falls in the temperate zone, there are mainly three seasons in India. Farmers produce different crops during Kharif and Rabi seasons. When farmers were farming in traditional way, traditional crops were cultivated in large scale. Certain crops were cultivated in an environment conducive to the crops. This makes certain regions famous for the production of certain crops. E.g. Nagpur's oranges, Nashik's grapes, Jalgaon's bananas and the production of cereal crops in North India, etc., but in the last three decades, a large amount of trees were felled in the name of industrialization and due to the increase in the speed of industrialization, air, water and noise pollution were created in a large amount. The emission of chemical elements started increasing. Dr. A. D. Pawar explained in his lecture that this resulted in increase in temperature and due to this there are drastic changes in the cropping system as well.

Dr. D. N. Sonawane, Dr. S. P. Deore, Dr. R. K. Jadhav and 46 students of the Department of Economics were present for the lecture. Samadhan Gumade, a postgraduate student of the Department of Economics expressed his thanks.
