1. Introduction

Maharaja Sayajirao Gaikwad Arts, Science and Commerce College, Malegaon-camp, Tal. Malegaon, Dist.–Nashik (Maharashtra) 423105 has a vision to provide its services to all stakeholders through an efficient e-Governance. It aims at planning and facilitating any infrastructure for the deployment of cutting-edge applications and solutions for seamless administration of the institute. College has implemented the e-governance in all areas of administration, finance and accounts, student admission and support, examination along with library for efficient functioning of the institute.

2. Policy on e-Governance

The institute is functioning for its academic and administrative services with the principle of participatory management using various modern ICT tools. For ease of administration at various levels in the administrative setup of HEI a policy document on e-governance is framed and efficient services are practiced. The link for the policy on e-governance is: https://mgvmsgsr.kbhgroup.in/pdf/E-%20Governance.pdf E-Governance is largely employed for transparency and accountability in the following key areas. This helps to make the institute visible globally. The web link of HEI is: https://mgvmsgsr.kbhgroup.in/index.php Examples of e-administration includes account and finance, admission, examination and library.

3. Planning and Development

E-governance is the integration of Information and Communication Technology in all aspects in the Governance, Leadership and Management. The circulars/ notifications of UGC, SPPU, Pune and DHE are accessed from their respective websites or through email communications by office bearers and administrators. The same information and strategic actions/ information are conveyed to stakeholders through college website, emails and social media such as WhatsApp. College facilitates planning of events and activities though emails and WhatsApp. The college employed the use of Vriddhi Software, hmtcampus360, TALLY software for account, KIBO XS for blind students, Google and social media in its Academic, Administration, Examination, Finance and Account and Library.

4. Administration

A. Administration by hmtcampus360 Software

College has initiated and imbibed a paperless or use of minimum paper work culture across all its services. In context of this, most of the correspondence with the authorities and apex organizations is carried out using email. The college administration is functioning very smoothly and efficiently using IT integration through e-administration at large. All process is student-centric and helping all the

stakeholders in timely submissions, generation of reports, issuing certificates, etc. This is an ICT tool, the objective is to introduce total transparency, justice, responsibility and accountability leading to better e-governance within the college. Outcomes has been found in the improved productivity and performance. Up to academic year 2019-20, college used the Vriddhi software and then after we are using hmtcampus360 software. C. Administration by Google and Social Media

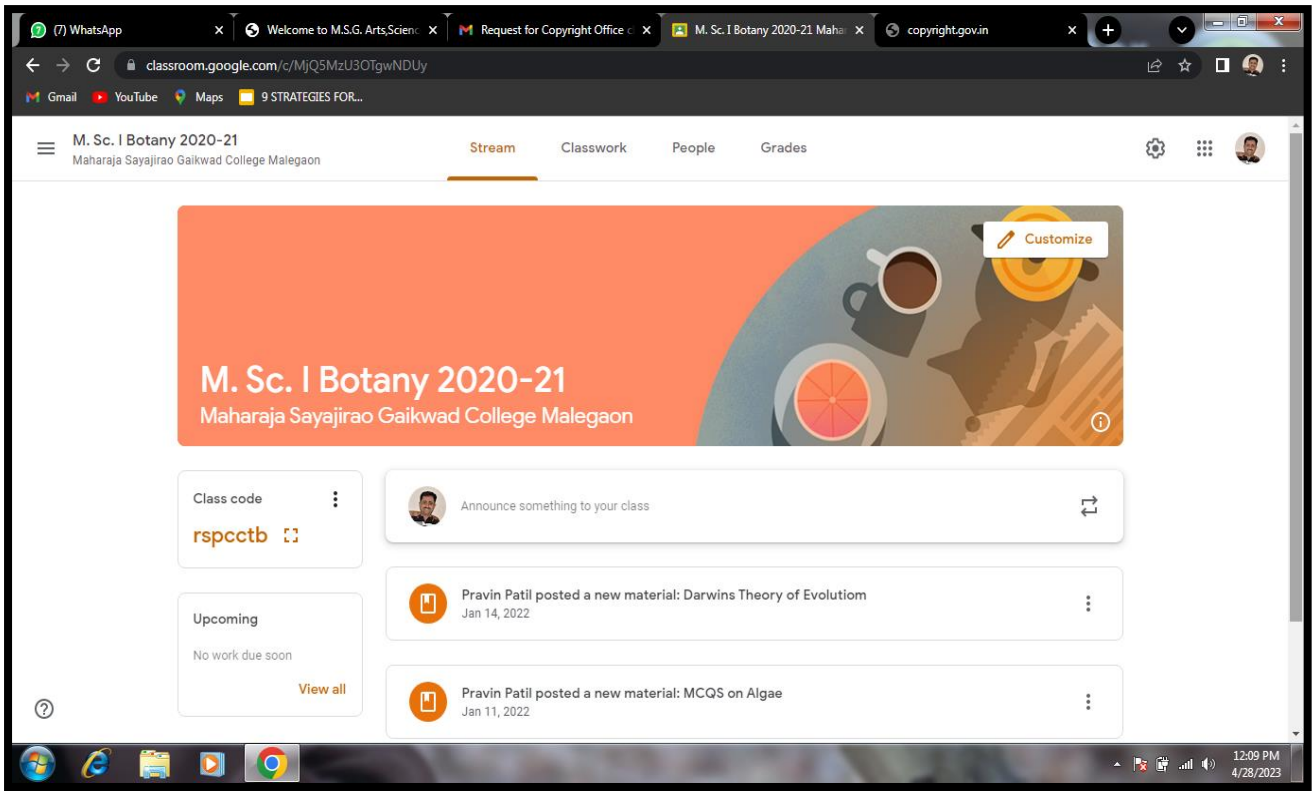
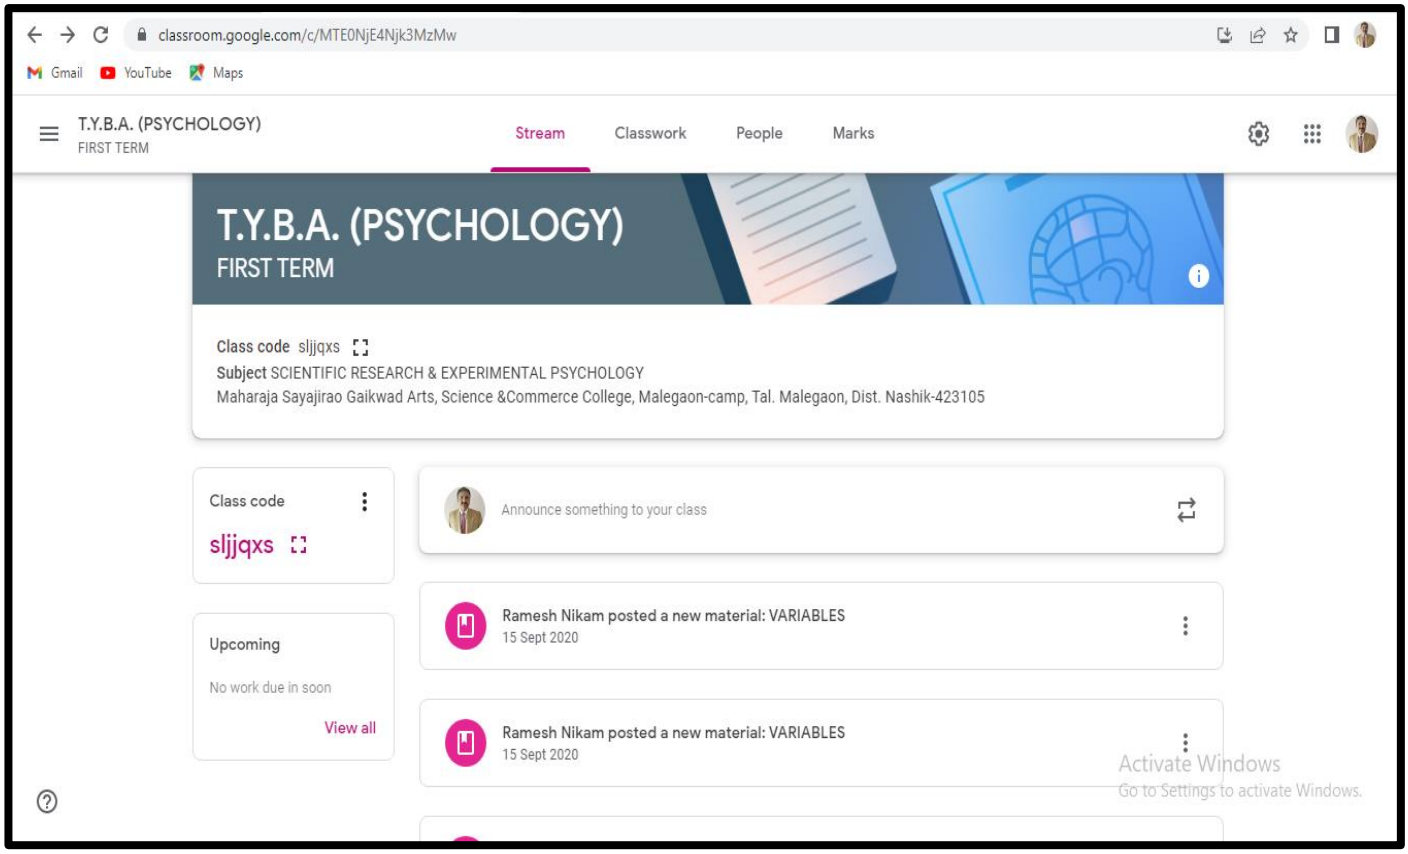
IQAC is involved in imbibing paperless culture and promoting use of e-governance in all areas of academic and administrative services. To cite as an example, during pandemic of COVID 19 teaching-learning and evaluation activities were conducted on online mode. Online lectures and webinars were conducted by using zoom and Google meet app. Various tools and software's are used for teaching-learning and evaluation process. One of the most important tools that are largely employed is Google. Google classrooms are created, e-contents are developed and uploaded on Google classrooms, evaluations are done using Google quizzes and test through Google classroom.

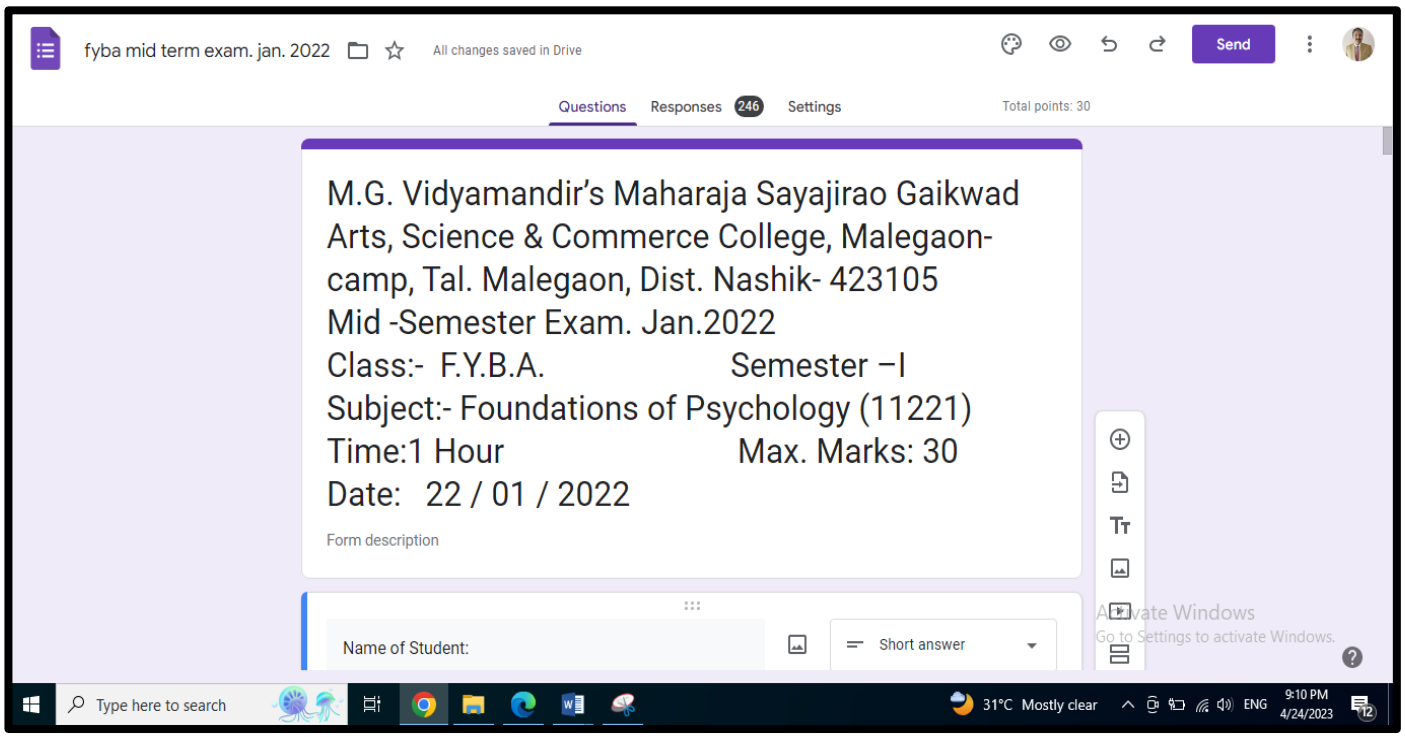
a) Use of Google Classroom

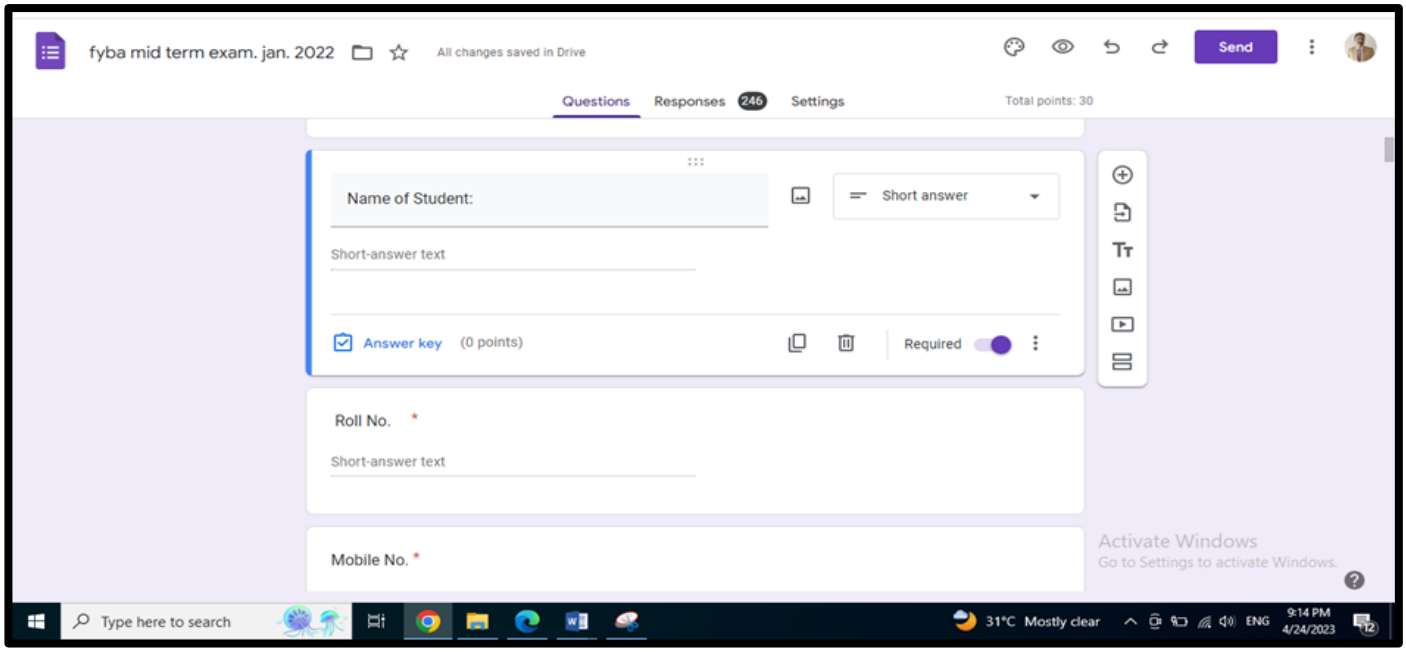




b) Use of Google Forms:

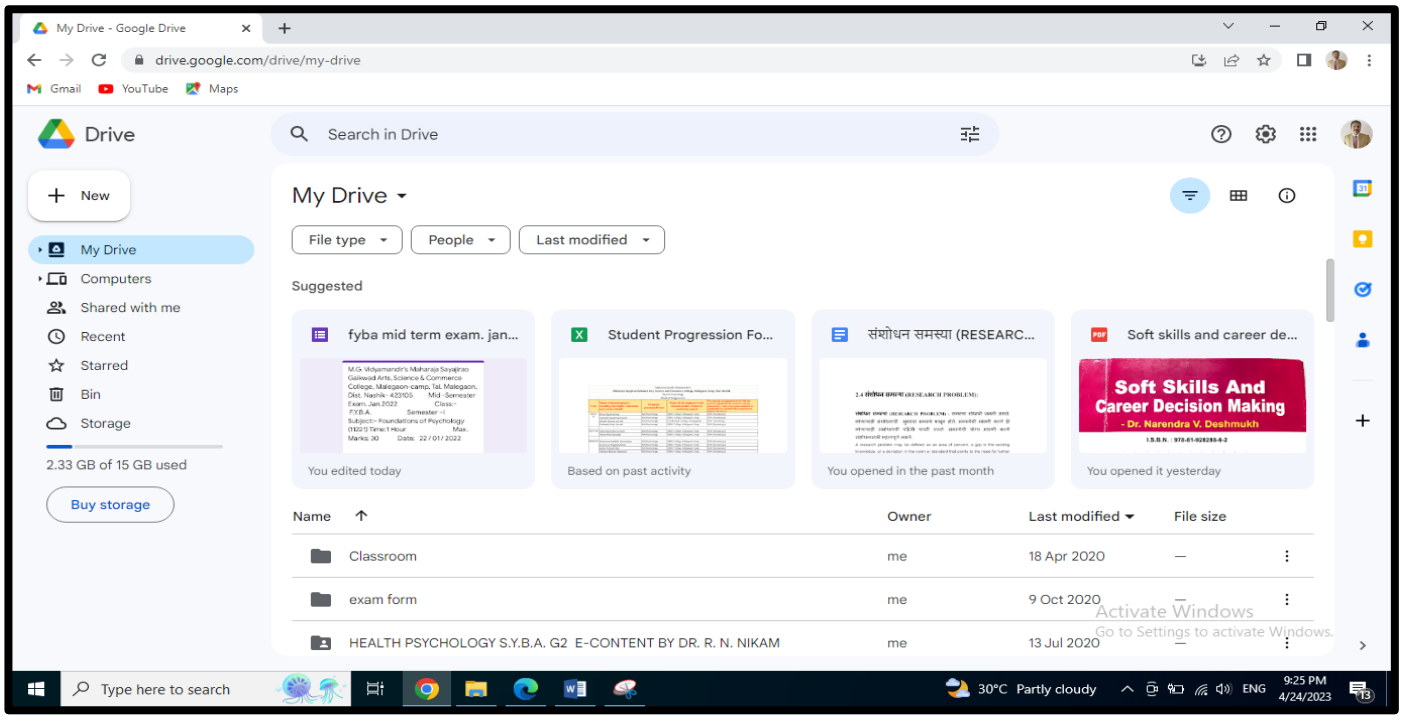
It is used to conduct online quiz, examination and feedback from various stakeholders. Examination Conducted by using Google Form in Covid pandemic





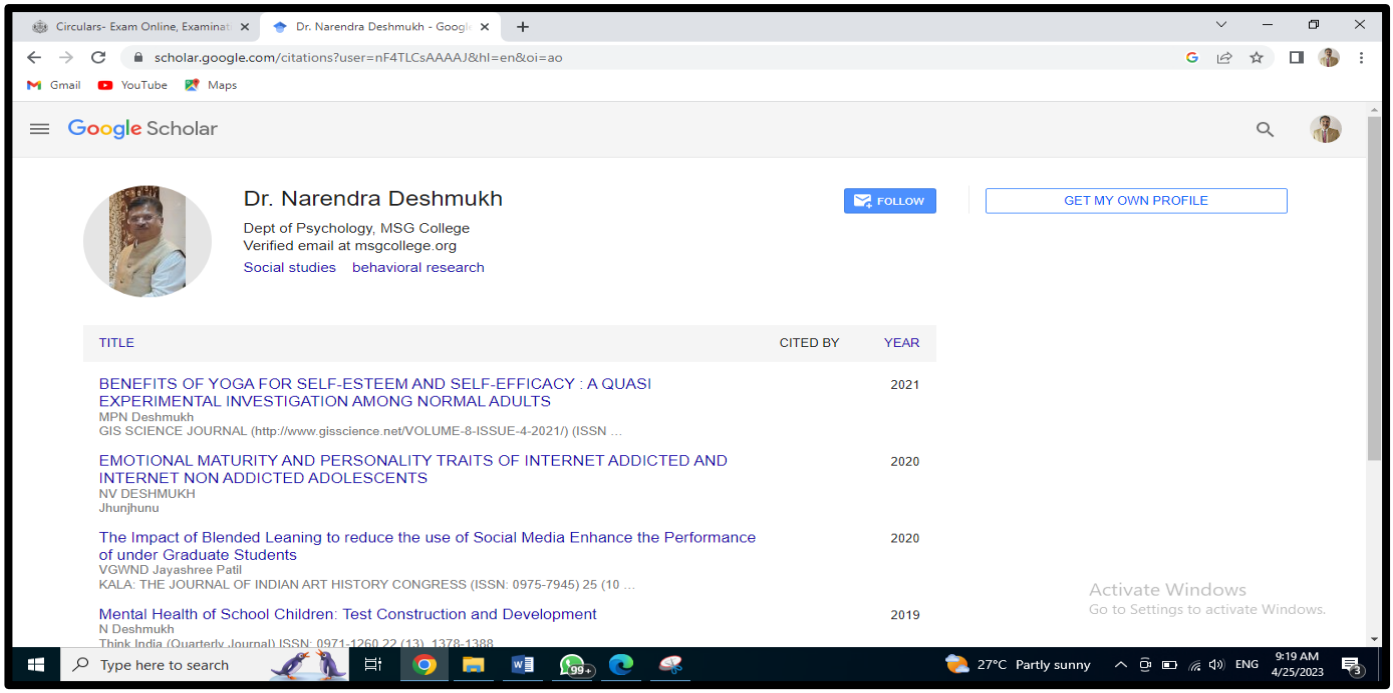
c) Use of Google Drives:

It used to store the data of activities, reports and information at personnel, department and support services emails/drives.



d) Use of Google Scholars:

It is collection of research articles and search for scholarly literature.



e) Use of You Tube:

You Tube is important tool for educating students with an audio-visual experience. College has YouTube channel as 'MSG Arts, Science &Commerce College, Malegaon-camp' to publicize the memorable lectures, events and documentaries All the faculties are trained in making videos and they make the videos and post them on You Tube.

Link for YouTube channel is:

This plan includes products with monthly and/or yearly subscription periods. The subscription period for each plan, and the total charge, INR1,300.00 (plus applicable taxes and regulatory fees), per subscription period for that product are set out above in the Charge Details section. Unless you cancel, your subscription(s) will auto-renew each subscription period and each subscription period thereafter, at the price(s) listed above (plus any taxes and regulatory fees applicable at the time of renewal) and your payment method on file at zoom.us/billing will be charged. You can cancel auto-renewal anytime, but you must cancel by the last day of your current subscription period to avoid being charged for the next subscription period. You will not be able to cancel your "base plan" (Zoom Meetings, Zoom Phone, or Zoom Rooms) without first canceling all other subscriptions in your plan. If you cancel, you will not receive a refund for the remainder of your then-current subscription period. You can cancel by navigating to zoom.us/billing and clicking "Cancel Subscription," clicking through the prompts, and then clicking to confirm cancellation. Should Zoom change its pricing, it will provide you with notice, and you may be charged the new price for subsequent subscription.

7. E-Governance in Finance and Accounts

With the aim to produce immediate information in finance and Accounts i. e. ‘Single Click Accounting’, Account section of college is fully e-Governed with Tally software. The University shares, fees, subscriptions, etc. are transferred online. This provides ease of accounting and transparency. It also facilitates:

➢ Daily Cash Collection Report

➢ Daily Fee Credit Report

8. E-Governance in Examinations

To achieve paperless communication between examination, university and other departments in the college the examination section uses 'hmtcampus360' Software. Choice Base Credit System (CBCS) Pattern is implemented for all programmes in line with the NEP. To deposit the academic credit earned by students, there is Academic Bank of Credit (ABC) generated for all the students through NAD guidelines. The link for the same is given to class wise WhatsApp group.

9. E-Governance in Library (KRC)

Presently Library Structure with respect to acquisition, circulation and referencing is partially automated with the help of hmtcampus360. Up to Academic year 2019-20, library used Vriddhi software. Stakeholders access the library resources on and off the campus with the support of NLIST, DELNET and INFLIBNET.
